

## Report of activities from September 21<sup>st</sup> International Day of Peace

The NGO ABrasOFFA – Brazilian Association of organizers of Popular Arts and Folklore Festivals Organizers – following the UNO recommendations realized in September 21<sup>st</sup> an activity faced to the peace called “Flying for the Peace”.

With partnership with the NGO Pró-Viver, SEDUC (Municipal Office of Education from Santos city) and with the help of the 23 young people from PET (Work education Program) and 05 teachers from SENAC the ABrasOFFA and its young volunteers organized with about 100 needy children (from 3 to 11 years old) a very special afternoon at the “Gemma Rebello Nursery School” in Campos Mello’s Street, Santos city – São Paulo State – BRASIL.

During this afternoon were developed workshops for the construction of the kites with the kids, teaching them how to make a kite step by step, and showed them that is possible to build something by them.

The young from PET made a project, with their teachers, developing the preparation, costs, necessary materials, all this making part of a project developed in classroom, involving the idea of the peace, and the cautions they should have with the children who would participate in the project.

The young people from PET and ABrasOFFA, separated the children in teams and share the responsibilities where every child was dependent of other to have the final product, the KITE... ready to fly.

The youngest also wished to participated and was developed a smaller kite, but that had the same effect of the big ones, make the kite fly.

The goal of the workshop was developed with the kids the idea of the importance of this day and to all can see their own work, having a result and reaching the objective, make the kites fly. This only imaginary task, developed the cooperation, awareness, union and a truly team work, because every single one depended the other work, to finalizes the kite.
